DESCRIPTION OF COURSES

ARTISAN JEWELRY MAKING Tuition \$ 60.00
 Thursday 7:00 - 9:00PM Room 168
 September 28 - November 30 (8 weeks)
 NO CLASS November 9, November 23

In this class you will learn to make your own unique, handmade artisan jewelry using a wide variety of materials including beads, sheet metal, manufactured findings, stones, wire and other supplies like resin and enamel. You will learn how to use the tools and techniques that have been used by jewelers for centuries to create one-of-a-kind work that is uniquely yours. Discover wire wrapping, metal hand texturing, personalized metal stamping and decoration. Plus, learn how to assemble your works of art into earrings, bracelets, rings and necklaces. Classroom tools are available to share; There is a one-time kit/supply fee of \$40.00 paid to the instructor on the first day of class.

Instructor: Helen Driggs , Metalsmith Jeweler

CALLIGRAPHY Tuition \$65.00
 Wednesday 7:00 - 9:00pm Room 107
 October 4 - November 8 (6 weeks)

This beginners workshop in modern pointed-pen calligraphy will teach you about the tools of calligraphy, basics in practice, strokes and technique, as well as cover a full alphabet. We will learn how to add design elements to capture the essence of the verse being lettered, as well as learning drawing skills and color choices for that perfect detail. Material fee of \$10.00 paid to the instructor.

Instructor: Maureen Peters , Graphic Artist

COLLEGE FUNDING BOOT CAMP Tuition \$15.00
 Thursday 7:00 - 9:00pm Room 160
 October 26 (1 week)

Find out the truth about beating the high costs of your child's education. Discover the inside tips and techniques that you may not be aware of to ensure you do not make costly mistakes when planning and funding your student's education. During this workshop we will discuss how to get the maximum funding for college, the importance of career path positioning, important criteria for school selection, the application process, FAFSA and CSS Profile form completion, and other critical information that you will need to understand in order to maximize your student's college educational and social experience and minimize your out-of-pocket expenditures.

Instructor: Laurent W. Metzler
 Metzler & DeSantis, LLP

CREATIVE WRITNG Tuition \$50.00
 Wednesday 7:00 - 9:00pm Room 111
 October 4 - November 22 (8 weeks)

This is an introductory course in creative writing, which focuses on the development of starting (and finishing) a short story. Stephen King says, " If you want to be a writer, you must do two things above all others: read a lot and write a lot." If you want to improve or begin writing creatively, there is no substitute but to do it. We also know what good writing is by reading it. Through examination and analysis of published writing and application of those elements into our own writing, we'll build a supportive environment where we can share our own writing, receive feedback, and be encouraged to grow as writers.

Instructor: Brandon Hartman

CROCHET CRAFTING Tuition \$55.00
 Tuesday 7:00-9:00 pm Room 108
 October 3 - November 21 (8 weeks)

Crocheting can be fun and easy! Come on out and learn to read patterns and do basic stitches if you have never crocheted before, or learn to create accessories, clothing stuffed animals, and do specialty stitches if you are a seasoned crocheter! Open to all skill levels, this will be a relaxed, fun way to learn or hone your skills! A \$15.00 supplies fee is payable to the Instructor on the first evening of class.

Instructor: Sarah Garcia-Gordon, HTHS Staff

ESTATE PLANNING Tuition \$18.00
 Thursday 7:00-9:00 pm Room 160
 November 2 (1 week)

Did you know that the federal and New Jersey "taxable estate" includes the value of your residence; your vacation and investment properties; your jointly titled assets; your individually owned assets; all life insurance proceeds; and the value of all your retirement plans and annuities? Did you know that there is a New Jersey estate tax on asset transfers over \$675,000? Learn how to protect your estate and your children's legacy from unnecessary taxation, the negative impact of extended estate administration, and the "spend down" of your assets on long term nursing home care. Wills, trusts, powers of attorney, and "Living Wills" will also be discussed. You've worked hard all of your life to create an estate. Take a little time to come and learn how to protect it!

GERMAN FOR BEGINNERS Tuition \$ 50.00
 Monday 7:00 - 8:00PM Room 152
 October 2 - November 20 (8 weeks)

This course covers the structure and mechanics of the language and offers practice in articulating German speech patterns, vocabulary, and expressions. We will also cover reading, writing, and proper pronunciation of words in sentences. At the end of this course you should be able to communicate effectively using common German phrases in daily conversation.

Instructor: Gilbert Manskopf , MD,
 Accomplished Scholar

GREAT FILMS Tuition \$ 55.00
 Wednesday 7:00 - 9:30PM Room 142
 October 4 - December 6 (10 weeks)

We will watch and talk about, films like A Scanner Darkly and Being John Malkovich, as well as review films by directors David Lynch, Marco Ferreri, David Cronenberg, Luis Bunuel, and others. These films will stand out for their creativity, originality, and profundity. While no single theme will be emphasized, the ten films should have cinematic bounds that the class can discover and probe.

Instructor : Bob Castle, Film Enthusiast

GUITAR I - BEGINNERS Tuition \$75.00
 Tuesday 6:30 - 8:00pm Room112
 October 3 - December 5 (10 weeks)

This course is for beginners or those who would like to brush up on the basics. We will start from the very beginning and move into some scales and chords used to play songs and recognizable melodies, as well as reading different types of music notation. Most of our playing will be done as a group, but the skills you will acquire will have you playing on your own as well. An acoustic guitar is the preferred instrument for this course.

Instructor: Matt LaPalomoto
 ML Guitar and Bass

GUITAR II - INTERMEDIATE Tuition \$75.00
Tuesday 8:00 - 9:30pm Room 112
October 3 - December 5 (10 weeks)

This course is for those who already have some experience. We will cover some finger style, applying basic music theory concepts to guitar playing, reading tablature, standard notation, chord/scale diagrams and improvisation. There are no prerequisites for this course per se, but you will want to have a few chords memorized and be able to strum and change chords 'in time'. Guitar I is recommended, but not required. An acoustic guitar is the preferred instrument for this course.
Instructor: Matt LaPalomoto
ML Guitar and Bass

HYDROPONIC GARDENING 101 Tuition \$ 50.00
Room 109

Tuesday 7:00 - 8:45pm
October 3 - November 21 (8 weeks)
An introduction to hydroponic gardening from start to finish. We will focus discussion and activity on indoor hydroponic gardening techniques, but will touch upon outdoor gardening and other non-hydro grow mediums. This course is for gardeners of all levels and the instructor will occasionally open discussion for people to share their own gardening experiences. Students will learn what plants need at different stages of their growth, from seed or clone, to the vegetative growth stage, and, finally, to the flowering or fruit production stage.

Instructor: Steve Renzi
Co-Owner Green Dragon Hydroponics

ITALIAN FOR BEGINNERS

**** COURSE HAS BEEN CANCELLED ****

Students will be introduced to the basic elements of Italian grammar. We will cover reading, comprehension, and vocabulary building. Emphasis will be on easy, everyday conversation in order to prepare a "survival kit" for daily activities during your trip to Italy or conversing with family and friends at home.
Instructor: Signor Ennio Brugnolo

KNITTING - BEGINNERS AND BEGINNERS PLUS Tuition \$55.00
Room 107

Tuesday 7:00-9:00 pm
October 3 - December 5 (10 weeks)

Are you ready to learn how to knit? Beginners will design and knit their first hat seamlessly "in-the-round." You will learn how to cast on, knit and purl, unknit, rescue dropped stitches, and much more. A materials fee of \$28 is required for new beginners, payable to the instructor on the first night of class (sorry no credit cards). Beginners from last term are welcome to choose more projects as their understanding of knitting increases. Projects include: hats with different designs, stay-on booties for babies, slippers for adults, socks, or the baby surprise jacket.
Instructor: Lauryn Henry

MANDARIN FOR BEGINNERS Tuition \$60.00
Wednesday 7:30-9:00pm Room 106
October 4 - December 6 (10 weeks)

This course will start with the Chinese alphabet (Pinyin). Students will be introduced to tones in Chinese language, Chinese characters, and basic elements of grammar. We will cover speaking, reading, writing and vocabulary building. The focus will be on everyday conversation. At the end of this course, students will be able to pronounce words correctly and communicate simple daily conversation.
Instructor: Xin Lu

MEDICARE AND YOU Tuition \$18.00
Wednesday 7:00 - 9:00PM Room 160
October 4 (1 week)

Learn all there is to know about Medicare and you. We will explain coverage choices Part A, B, C, and D. The changes that have been made will be discussed.
Instructor: Angel Rosario
Insurance and Benefits Specialist

MICROSOFT ESSENTIALS REVIEW

Tuition \$ 70.00
Thursday 6:30 - 8:30PM Room 148
October 5 - November 16 (6 weeks)

Getting back in the workforce or just getting started? This six week course will explore the basics of Excel spreadsheets, MS Word, printing and file management.
Instructor: Dan Santora, Computer Specialist
NO CLASS November 9

MICROSOFT EXCEL Tuition \$ 70.00
Wednesday 6:30 - 8:30PM Room 148
October 4 - November 16 (6 weeks)

In this class we will learn to create worksheets and workbooks, work with cell references, sort lists, and create charts. We will also use Excel formulas, functions, and commands to further automate the spreadsheet process. No previous experience in Excel is required. However, the student should have a basic knowledge of computers.
Instructor: Dan Santora, Computer Specialist

MONEY, INVESTING AND WEALTH ACCUMULATIONS Tuition \$ 32.00
Room 160

Monday 7:00 - 9:00pm
October 2 - October 23 (4 weeks)

Are you concerned about your financial future? Are you concerned about retirement? If so, attend this course and learn about stocks, bonds, mutual funds, asset allocation, and more. Handouts will be provided weekly. Take the time to gain the knowledge you need to make the best decisions relative to your investments.
Instructor: William Dorman, Jr., Financial Advisor Janney Montgomery Scott LLC

OPERA APPRECIATION

**** COURSE HAS BEEN CANCELLED ****

Come and spend eight nights at the opera. This class will introduce you to the world of opera. We will explore each composer's life in the historical context of the times. We will listen to different singers in arias and ensembles, comparing classical to modern interpretation and conducting styles. Videos of live performances and films will be presented. Two operas per session will be selected and discussed. Possible visits to rehearsals or performances at the Opera Company of Philadelphia and Academy of Vocal Arts, depending on schedules and attendance, may be made.
Instructor: Ennio Brugnolo, Baritone, Phila Opera Co.

PAPER CUTTING & ORIGAMI Tuition \$ 50.00
Tuesday 7:30 - 9:00pm Room 106
October 3 - December 19 (12 weeks)

Paper can be fun. We are going to be creative and interactive with paper in this class. It is going to be 6 weeks of Chinese paper cutting classes plus 6 weeks of origami classes. Students are not only going to learn the basic folding and cutting skills of paper cutting and origami, but also will learn about the culture and meaning behind these two ancient art forms. We are going to create unique art works through combining paper cutting, origami, drawing and watercolor. We will create individual works and a collaborative project. There is a one-time supply fee of \$30.00 paid to the instructor on the first day of class.
Bring your favorite pair of scissors.
Instructor: Xin Lu

PHOTOGRAPHY: THE ART OF SEEING Tuition \$50.00
Room 106

Monday 7:00-9:00 pm
October 2 - November 20 (8 weeks)

This course will focus on composition. Learn the rules first before you break them. You will learn how to see through the eye of your camera. Areas to be covered will include: lights, focus, exposure, composition, and more. Put them all together and you will improve your pictures.
Instructor: Gabrielle Charette
Fine Art & Wedding Photographer

PRESS-LESS PRINTS: HAND PRINTING TECHNIQUES Tuition \$50.00
Room 12

Monday 6:30-8:30pm
October 9 - November 13 (6 weeks)

In this class we will investigate and use diverse hand printing techniques, materials, and surfaces, for creating a variety of original prints, including relief (carved), mono-prints, stamps, and stencils. Whether you are a novice, or have some experience, you will find success and enjoyment while expanding your creativity. There will be a \$30.00 materials fee, payable to the Instructor on the first night of class.
Instructor: Ellen Hargrove
2017 New Jersey Art Educator of the Year
Haddon Township Art Teacher Grades 6 - 12
Graduate of University of the Arts

PSYCHIC DEVELOPEMENT Tuition \$70.00
Tuesday 7:00-9:00pm Room 139
October 3 - December 5

This class will offer a greater understanding of your intuition and psychic abilities through practice and discussion of various tools and methods. Sessions will include guided meditations and interactive exercises. We will also discuss other metaphysical topics and will have fascinating guest speakers.
Instructor: Tracy Farquhar, Professional Psychic Medium and Channel. Owner of the Spirit Light Center and Hay House Author.

SEWING- BEGINNERS Tuition \$ 50.00
Wednesday 7:00 - 9:00PM Room 168
October 4 - November 22 (8 weeks)

This course is provided for those who own sewing machines but who have been reluctant to undertake a machine sewn project. Through the construction of a basic project, the student will learn about fabric layout and applicable sewing skills. The techniques learned will enable you to move from simple sewing tasks to more accomplished undertakings. At the conclusion of the course you should have the skill and confidence to select a pattern, choose a fabric, and start a sewing project on your own sewing machine.
Instructor : Lisa Phillips, BS Home Economics

SMART PHONE PHOTOGRAPHY

Tuition \$ 25.00

Wednesday 7:00 - 8:30PM
Room 109
October 4 - October 25 (4 weeks)

In this course you will explore elements and concepts of photography and how they apply to your Smartphone and enable you to take better pictures. You will be introduced to apps that will enhance your finished product and learn how to add them to your other cherished memories.

Instructor: Stan Tyszka

SOCIAL SECURITY

Tuition \$ 15.00

Wednesday 7:00 - 8:30pm
Room 160
October 11 (1 week)

When should you claim your Social Security benefits? Should you choose 60, 62, full retirement age, or 70? Can you file based on your divorced spouse's work history? How can you maximize your own benefit and receive the most out of Social Security? If you have questions, join us for an informative presentation outlining these very topics. Learn some of the different ways people can claim their Social Security benefits.

Instructor: Angel Rosario

Insurance and Benefits Specialist

SPANISH FOR BEGINNERS

Tuition \$ 50.00

Thursday 7:00-9:00 pm
Room 106
September 28 - November 30 (8 weeks)
NO CLASS November 9, November 23

This class will introduce the student to the basics of speaking, reading and writing Spanish. Latin American Spanish will be the focus, although some elements of Iberian Spanish will be addressed. The course will cover the alphabet and phonetics, common phrases, the simple present, past and future tenses, the interrogative, negation, and commands. The vocabulary of daily life including days of the week, months, telling time, clothes, food, occupations, common daily objects, transportation, music, hobbies, and basic medical and legal topics will also be addressed.

Instructor: Anthony Carter

**** TAI CHI CHUAN -****

Tuition \$50.00

A TIME FOR YOU
Stoy Elem. School
Monday 6:30-7:30 pm
October 2 - November 20 (8 weeks)

Tai Chi is an effective, low impact workout that can improve balance, help fight arthritis, and stimulate the immune system. It can lead to peace of mind and general good health. You will learn the Yang form - soft, graceful movements that can become like dancing with an old friend. It just feels good! Tai Chi Chuan is truly a universal martial art - something everyone should try!

Instructor: Jack Poupard and Susan Stapleford
"Tai Chi for Health"**VOLLEYBALL- INTERMEDIATE**Wednesday 8:00-9:30 pm
Tuition \$48.00High School Upper Gym
October 4 - November 29 (9 weeks)

Intermediate volleyball is intended to be a continuation for those adults who have had previous volleyball instruction or who have had experience in playing volleyball and can execute all the basic skills. Coed teams will be set up based on skill and ability. Competitive volleyball rules and style of play will enable those participants to get a "good workout."

Supervisor: Gregg Teears , Volleyball Instructor

WIRE JEWELRY MAKING

Tuition \$60.00

Monday 7:00 - 9:00PM
Room 168
October 2 - November 20 (8 weeks)

Learn to create beautiful hand made jewelry with simple materials like stones, shells, beads and wire. Discover chain making, wire wrapping, using shaped wire, creating simple connections and assembly of manufactured jewelry components. Some experience with hand tools is recommended but is not required. Classroom tools are available to share. There is a one time kit/supply fee of \$45.00 paid to the instructor on the first day of class.

ZUMBA

Tuesday 7:00 - 8:00 pm

October 3 - November 21 (8 weeks)

Tuition \$58.00

Stoy Elem. School

Wednesday 7:00 - 8:00pm

October 4 - November 22 (8 weeks)

Tuition \$58.00

Stoy Elem. School

Tuition for enrollment in both nights: \$100.00
Zumba combines high energy and motivating music with unique moves and combinations that allow the Zumba participants to dance away their worries. It is based on the principle that a workout should be "fun and easy to do." Zumba is great for both the body and the mind. It utilizes the principles of fitness interval training and resistance training to maximize caloric output, fat burning, and total body toning. It is a mixture of body sculpting movements with easy to follow dance steps including: salsa, merengue, cambia, cha cha, belly dance and samba. No dance experience is required and it is suitable for all fitness levels. Wear supportive sneakers and don't forget a water bottle.

PLEASE NOTE:

Starred Courses (**) are NOT ELIGIBLE for any tuition reduction due to equipment needs or where the Instructor's salary is based on a per student rate.
