1. For each teaching staff member rated ineffective or partially effective on the annual summative evaluation, as measured by the evaluation rubrics, a corrective action plan shall be developed by the teaching staff member and the Superintendent or the teaching staff member's supervisor.
2. If the summative evaluation rating is calculated before the end of the school year, then the corrective action plan shall be developed and the teaching staff member and his or her supervisor shall meet to discuss the corrective action plan prior to September 15 of the following school year. The conference to develop and discuss the corrective action plan may be combined with the teaching staff member's annual summary conference that occurs at the end of the year of evaluation.

3. If the ineffective or partially effective summative evaluation rating is received after the start of the school year following the year of evaluation, then a corrective action plan must be developed, and the teaching staff member and his or her supervisor shall meet to discuss the corrective action plan within fifteen teaching staff member working days following the school district's receipt of the teaching staff member's summative rating.

7. Progress toward the teaching staff member's goals outlined in the corrective action plan, and data and evidence collected by the supervisor and/or the teaching staff member to determine progress between the time the corrective action plan began and the next annual summary conference, shall be documented in the teaching staff member's personnel file and reviewed at the annual summary conference.
8. Progress toward the teaching staff member's goals outlined in the corrective action plan may be used as evidence in the teaching staff member's next annual summative evaluation; however, such progress shall not guarantee an effective rating on the next summative evaluation.
9. Responsibilities of the evaluated teaching staff member on a corrective action plan shall not be exclusionary of other plans for improvement determined to be necessary by the teaching staff member's supervisor.

1. The Superintendent shall determine the duration of observations required for nontenured teaching staff members pursuant to N.J.S.A. 18A:27-3.1.

9. Evaluations for tenured teaching staff shall be completed prior to June 30.
10. Each evaluation of nontenured and tenured teaching staff members shall be followed by a conference between that teaching staff member and the administrative or supervisory staff member who has made the observation and written evaluation. Both parties to such a conference shall sign the written evaluation report and each shall retain a copy for his or her records. The purpose of this procedure is to recommend as to reemployment, identify any deficiencies, extend assistance for correction, and improve professional competence.
