### **9160. PUBLIC ATTENDANCE AT SCHOOL EVENTS**

The Board of Education welcomes the attendance of members of the community at athletic and other public events held by the schools of the district and acknowledges its duty to maintain order and preserve the facilities of the district during the conduct of such events.

The Board may bar the attendance of any person at a school event whose conduct constitutes a disruption. The Board prohibits the possession and consumption of alcoholic beverages at any function sponsored by the district, and, further, prohibits wagering on school premises. This policy in no way prohibits booster clubs, parent teacher associations, or co-curricular activities from conducting raffles or "50/50" drawings for which a permit from the Township of Haddon has been issued.

A schedule of fees for all school events shall be prepared by the Superintendent and adopted by the Board. Residents of the district sixty-two years of age or older should be encouraged to attend all school activities in order to familiarize them with the school program, and shall be admitted without charge to selected school events as advertised.
