**Subject Area: World Languages**  
**Course Name: French I**

**Summary:** The first course in Latin is designed to show the student the vocabulary and grammar of the language. Vocabulary is learned not only for itself but also to show its relationship to other languages, especially English. Grammar puts these words to use so that at the end of the course, the students should be able to translate with reasonable facility from Latin to English. Roman history and culture are also introduced.
