

HADDON TOWNSHIP SCHOOL DISTRICT

Superintendent's Report June 15, 2017

Staffing

We are working to secure high quality staff members for all available district positions and this process will continue throughout the summer months. The following candidates for the 2017-18 school year will be recommended for appointment on tonight's agenda:

- Paul Steltz – HS English Department Facilitator
- Charles Loughlin – HS English Teacher
- Kristin Davis – Elementary Teacher
- Shannon Pawling – Elementary Teacher
- Amanda Cundiff – Replacement Elementary Teacher
 - September 1, 2017 – December 20, 2017

The following resignation is included on tonight's agenda:

- Stacey Mrozinski – Elementary Special Education Teacher – Van Sciver

Negotiations Update

The Negotiations Committee for the Board of Education and the Haddon Township Education Association (HTEA) has met several times for productive sessions. The committee has scheduled several additional dates to meet on June 20th and July 12th.

Kindergarten Enrollment

Due to our high kindergarten enrollment at Stoy for the 2017-18 school year, a recommendation to add a section of kindergarten at Stoy is on tonight's agenda. This solution ensures that students will be able to attend their "home school" and will allow us to maintain current student support services needed at this location.

Community Day Open House

We held a "Community Day Open House" on Saturday, June 3rd to mark the completion of the two-year construction process for our referendum projects. We wanted to celebrate this milestone with our entire Haddon Township community.

All district school buildings were open to visitors for guided and self-guided tours. Some of our students created videos of the new spaces in use by students and staff

that we posted throughout the buildings. We will also link some of these videos to the district website.

We thank everyone who gave so much time on a Saturday to staff this event: our board members, district administrators, PTA members, custodial staff, and students. Feedback has been quite positive and we hope that our friends, neighbors, new parents, and alumni who stopped by the Open House enjoyed seeing their new and improved community schools!

Upcoming District Events:

High School Graduation – June 16th - 6:00pm

RMS 8th Grade Closing Celebration – June 15th – 10:00am

- HS Auditorium (Doors open at 9:40am)

Elementary 5th Grade Celebrations – June 16th (All)

- Edison – 8:45am
- Stoy – 9:00am
- Van Sciver – 10:00am
- Jennings – 11:00am
- Strawbridge – 11:00am

This has been a challenging school year in completing our referendum projects and navigating the compressed school calendar that this process required. I'd like to thank all of our HT Hawks: administrators, staff members, parents, students, and community members for their hard work, patience and flexibility. I'd like to wish everyone a safe and wonderful summer!
