The dedication of the performing arts wing will take place at 7:15pm and the memorial concert will follow at 7:30pm. Admission is free and donations will be accepted.

Thanksgiving

The temperature may still be in the sixties, but Thanksgiving is officially one week from today. I continue to be thankful for the kindness and support that is demonstrated daily by our school community, as well as our focus on embracing each child's individual needs to ensure his/her success. Despite a very contentious election season this year, we continue to share and support these positive values in our school community each day. In this spirit, I would like to wish everyone a very Happy Thanksgiving.
