Community Day Preparations

We have begun planning for a spring "Community Day" on Saturday, June 3rd so that our larger community can have the opportunity to come in and check out our new and improved spaces! We'll use an open house format at all district school buildings and the hours will be from 10:00am-2:00pm.

We are working with the Township to advertise beyond our own district parent network to ensure that the entire Haddon Township community is invited. We appreciate everyone's patience and cooperation throughout the completion of our referendum projects and would like to celebrate this milestone with all of our friends and neighbors. We hope to see you on June 3rd!

Budget Approval

Our budget for the 2017-18 school year was approved by the County Office on April 18th. We will hold a special board meeting on May 2, 2017 for formal adoption of the budget.

Lead Testing and District Repairs

Per NJ State requirements, district wide lead testing was completed by South Jersey Water during spring break on April 11th. We should receive the results of the testing on or about May 1st. In addition, the following district repairs and improvements were completed during spring break:
